

Session	Nr	Date	Time	Type	Paper #	Paper title
Adaptivity in Networked Learning		3,1	10.30 - 11.00	Regular	100029-03-SH-054	An Adaptive Navigation Support with Local Indexing for Web-based Learning
Adaptivity in Networked Learning		3,1	11.00 - 11.30	Regular	100029-03-AK-058	A Navigation Path Preview for Web-based Learning
Adaptivity in Networked Learning		3,1	11.30 - 11.50	Short	100029-03-GB-041	Student Model Optimization using Evolutionary Computation Techniques
Adaptivity in Networked Learning		3,1	11.50 - 12.10	Short	100029-03-LP-105	Personalized Distance Learning in WINDS
Adaptivity in Networked Learning		3,1	12.10 - 12.30	Short	100029-03-SK-128	Artificial Intelligence and its Application in the next generation of Internet/Computer-based Learning Environment
Adaptivity in Networked Learning		3,1	12.30 - 12.50	Short	100029-03-PN-147	Optimizing and profiling users online with Bayesian probabilistic modeling
Collaborative Networked Learning	II	2,3	15.30 - 16.00	Regular	100029-03-WB-013	Usage of an Instant Messaging System in a University Learning Environment
Collaborative Networked Learning	II	2,3	16.00 - 16.30	Regular	100029-03-VW-025	Team-teaching and Team-learning on a Global Scale
Collaborative Networked Learning	II	2,3	16.30 - 17.00	Regular	100029-03-WS-039	Learning Virtual Collaboration in Teleseminars
Collaborative Networked Learning	II	2,3	17.00 - 17.30	Regular	100029-03-WF-053	Recording and Replay Support for Asynchronous Learning Modes within a Distance Learning System
Collaborative Networked Learning	III	3,3	16.30 - 17.00	Regular	100029-03-SG-064	Real-time Interaction for Webcasting
Collaborative Networked Learning	III	3,3	17.00 - 17.30	Regular	100029-03-MS-101	A Collaborative Framework Supporting Tele-teaching on a Passive Optical Network
Collaborative Networked Learning	III	3,3	17.30 - 18.00	Regular	100029-03-WT-108	Instructional strategies for collaborative e-learning
Collaborative Networked Learning	I	2,1	11.00 - 11.20	Short	100029-03-CB-065	Application sharing in teaching context with wireless networks
Collaborative Networked Learning	I	2,1	11.20 - 11.40	Short	100029-03-WE-072	Games for co-operation in virtual environments
Collaborative Networked Learning	I	2,1	11.40 - 12.00	Short	100029-03-CT-107	Distance learning using IP videoconferencing services: A practical experience
Design and Development of Networked Learning	I	3,2	14.30 - 15.00	Regular	100029-03-IG-027	Systematic courseware development using an integrated engineering style method
Design and Development of Networked Learning	II	4,1	11:00 - 11:30	Regular	100029-03-MK-074	Corporate Knowledge vs. Knowledge within Corporation
Design and Development of Networked Learning	I	3,2	15.00 - 15.30	Regular	100029-03-FH-075	Authoring and Linking of Highly Interactive Content within Web-based Courseware
Design and Development of Networked Learning	I	3,2	15.30 - 16.00	Regular	100029-03-UL-085	The Use of XML for the Development of an Adaptive Multimedia Teaching and Learning Systems
Design and Development of Networked Learning	II	4,1	9.00 - 9.30	Regular	100029-03-YM-092	A Content-based and Process-centered Approach to the Design of An Integrated Cooperative Learning Environment
Design and Development of Networked Learning	II	4,1	9.30 - 10.00	Regular	100029-03-KF-111	Managing the development of an e-learning product - Applying software engineering techniques in an academic environment
Design and Development of Networked Learning	II	4,1	10.00 - 10.30	Regular	100029-03-JM-130	Making Courseware Re-Usable
Design and Development of Networked Learning	II	4,1	10:30 - 11:00	Regular	100029-03-PK-148	Quality of University Education in Complex Learning Environments
Design and Development of Networked Learning	III	4,2	11.30 - 11.50	Short	100029-03-TM-024	Modularity and Integrity Issues in Instructional Engineering
Design and Development of Networked Learning	III	4,2	11.50 - 12.10	Short	100029-03-TR-026	Using Hyperbolic Trees and SmartBars within Virtual Learning Environment Concepts
Design and Development of Networked Learning	III	4,2	12.10 - 12.30	Short	100029-03-RH-067	Usability Engineering as an important Part of Quality Management for a Virtual University
Design and Development of Networked Learning	III	4,2	12.30 - 12.50	Short	100029-03-JJ-096	Developing a WWW-based course on databases
Design and Development of Networked Learning	III	4,2	12:50 - 13:10	Short	100029-03-SV-112	Design for Reuse in a Web- Based Degree
Globalization of Networked Learning		3,1	10.30 - 11.00	Regular	100029-03-JR-060	Intercultural Challenges in Networked Learning: Hard Technologies Meet Soft Skills
Globalization of Networked Learning		3,1	11.00 - 11.30	Regular	100029-03-IA-081	Networked Learning and Developing Countries: Charles Sturt University Model
Globalization of Networked Learning		3,1	11.30 - 12.00	Regular	100029-03-DC-144	Understanding Globally-Distributed Collaborative Learning Between the United States and South Africa
Organization of Networked Learning	I	2,1	11.00 - 11.30	Regular	100029-03-PA-032	Training of Online-Facilitators as a Key Issue in Implementing Telematic Learning: Organizational Approach and Course Design within the Virtual University of Applied
Organization of Networked Learning	I	2,1	11.30 - 12.00	Regular	100029-03-EC-037	Virtualisation of Coursework at the University of Cape Town
Organization of Networked Learning	I	2,1	12.00 - 12.30	Regular	100029-03-JS-038	Virtuous virtual learning - pedagogical issues in moving teachers from place to space in management education
Organization of Networked Learning	II	3,1	10.30 - 11.00	Regular	100029-03-IH-055	Evaluating Business Models for the Learning Process
Organization of Networked Learning	II	3,1	11.00 - 11.30	Regular	100029-03-ES-056	Arguments for Building Learning Communities in Higher Education – First Results of an Empirical Research
Organization of Networked Learning	II	3,1	11.30 - 12.00	Regular	100029-03-MW-087	E-MBA Initiative at Warwick Business School: A Study in Collaborative Online Learning
Organization of Networked Learning	II	3,1	12.00 - 12.30	Regular	100029-03-EM-102	How to Learn to eLearn?
Organization of Networked Learning	I	2,1	12.30 - 13.00	Regular	100029-03-SK-114	Virtual Teaching and Learning for Digital Business Skills
Organization of Networked Learning	III	3,3	16.30 - 16.50	Short	100029-03-KV-021	Developing e-Learning Architectures for Communities of Practice: A Knowledge Perspective
Organization of Networked Learning	III	3,3	16.50 - 17.10	Short	100029-03-SK-059	Webtrain: collaborative, net-based learning for e-government
Organization of Networked Learning	III	3,3	17.10 - 17.30	Short	100029-03-EL-063	E-Learning: A Learning Process for the Organisation
Organization of Networked Learning	IV	3,3	12:30 - 12:50	Short	100029-03-LS-086	Some Remarks to the E-learning Experiences in Slovakia
Organization of Networked Learning	III	3,3	17:30 - 17:50	Short	100029-03-BB-088	100-online: Universität Stuttgart goes Multimedia
Organization of Networked Learning	IV	4,2	11.30 - 11.50	Short	100029-03-PS-089	Distance Education at Francophone Virtual University
Organization of Networked Learning	IV	4,2	11.50 - 12.10	Short	100029-03-EC-120	eBusiness Model for Networked Learning
Organization of Networked Learning	IV	4,2	12:10 - 12:30	Short	100029-03-JM-158	Building the Virtual University
Poster Session		3		Poster	100029-03-GC-028	Development of a Collaborative Research Lab for the Implementation and Evaluation of the Virtual Teaching of Psychology

Session	Nr	Date	Time	Type	Paper #	Paper title
Poster Session		3		Poster	100029-03-IL-132	MBI: An Internet and Multimedia Based Master Program in Business Informatics Provided by a Virtual Organization
Tools and Architectures for Networked Learning	III	3,2	14.30 - 15.00	Regular	100029-03-SS-036	WEBGen: a batch generator of web-based courseware
Tools and Architectures for Networked Learning	III	3,2	15.00 - 15.30	Regular	100029-03-GS-083	ISAAC: An Integrated Web-based Interactive System for Learning Basic Mechanics
Tools and Architectures for Networked Learning	III	3,2	15.30 - 16.00	Regular	100029-03-ZA-095	OIOS: A Turkish Tool For Students Delivering The Faculty Information Using WAP Technology
Tools and Architectures for Networked Learning	IV	3,3	16.30 - 17.00	Regular	100029-03-EA-097	A new Elicitation Algorithm to Teach Quantum Information Processing
Tools and Architectures for Networked Learning	IV	3,3	17.30 - 18.00	Regular	100029-03-SS-145	Workflow Driven e-Learning: Beyond Collaborative Environments
Tools and Architectures for Networked Learning	IV	3,3	17.00 - 17.30	Regular	100029-03-HH-149	Learning Business Management through Network
Tools and Architectures for Networked Learning	I	2,2	13.30 - 13.50	Short	100029-03-IB-007	Multimedia teaching on WWW: a new approach
Tools and Architectures for Networked Learning	I	2,2	13.50 - 14.10	Short	100029-03-AS-020	The Fraunhofer Knowledge Network (FKN) for Training in Critical Disciplines of Microelectronics Design
Tools and Architectures for Networked Learning	I	2,2	14.10 - 14.30	Short	100029-03-SB-042	Online Delivery Tools to Support Teaching of Operating System Concepts
Tools and Architectures for Networked Learning	I	2,2	14.30 - 14.50	Short	100029-03-TD-071	YoungNet - a Virtual Learning Community Platform for Youngsters
Tools and Architectures for Networked Learning	II	2,3	15.30 - 15.50	Short	100029-03-LS-079	Technological and Pedagogical Aspects of developing VORMS - a Virtual Course on Operations Research/Management Science
Tools and Architectures for Networked Learning	II	2,3	15.50 - 16.10	Short	100029-03-AJ-082	Experience of Plagiarism Detection and Prevention in Higher Education
Tools and Architectures for Networked Learning	II	2,3	16.10 - 16.30	Short	100029-03-NS-103	Cyber Class: from E-learning to E-Business
Virtual Laboratories	II	2,3	15.30 - 16.00	Regular	100029-03-HC-012	Collaboratory for Macromolecular Crystallography at SSRL
Virtual Laboratories	II	2,3	16.00 - 16.30	Regular	100029-03-JT-017	Towards Cost Effective On-Line Laboratories
Virtual Laboratories	II	2,3	16.30 - 17.00	Regular	100029-03-SS-029	"Information Technology Online" An Approach to eLearning in the Field of Control Systems Technology
Virtual Laboratories	II	2,3	17.00 - 17.30	Regular	100029-03-JD-047	The MIT Microelectronics WebLab: a Web-Enabled Remote Laboratory for Microelectronic Device Characterization
Virtual Laboratories	I	2,2	13.30 - 14.00	Regular	100029-03-TK-066	A Trial Experiment for a Remote Laboratory between Japan and the U.S. using High-Speed Networks
Virtual Laboratories	I	2,2	14.00 - 14.30	Regular	100029-03-MS-099	Architectural Issues of a Remote Network Laboratory
Virtual Laboratories	I	2,2	14.30 - 15.00	Regular	100029-03-VC-131	Collaborative WebLab: Enabling Collaboration in an Online Laboratory
Virtual Laboratories	III	3,2	14.30 - 14.50	Short	100029-03-RL-023	VILAB - A Virtual Electronic Laboratory for Applied Computer Science
Virtual Laboratories	III	3,2	14.50 - 15.10	Short	100029-03-PS-076	Telerobotic Training System through the Web: A Case Study
Virtual Laboratories	III	3,2	15.10 - 15.30	Short	100029-03-VR-113	Virtual laboratories: A reference model and practical experiences
